

WINGS OF KINDNESS FOUNDATION

THE LEGACY OF **BILBO**

Where Every Act of Kindness Takes Flight

NEWSLETTER | AUGUST 2026 | SECOND EDITION

One Feather. One Life. One Legacy.

A Letter from Our Founder

Dear Friends,

August has been an exceptionally rewarding month for the Wings of Kindness Foundation - filled with new beginnings, meaningful partnerships and practical acts of kindness.

We formally welcomed three brand ambassadors: Anre Bouguenon, Charlie Bouguenon and Je-ani Swiegelaar. Each shares our passion for compassion, conservation and safer futures for birds.

Our growing flock was strengthened through our partnership with Eco Adventures, while Velotex joined us as our merchandise partner. We also completed our first raffle and were delighted by the community's enthusiastic support.

Most importantly, August allowed us to deliver meaningful assistance to the sanctuaries and rescue organisations we support. Thank you to every donor, partner, participant and friend who made this possible. Together, we are creating a legacy. With gratitude,

Nicolene Janse van Rensburg
