A Letter from Our Founder

Dear Wings of Kindness Friends,

September has been an exciting month, filled with new developments at Wings of Kindness Foundation. We have welcomed new partnerships, secured wonderful sponsors and watched our Ride Joburg team grow. We are honoured to have Krynauw Otto, Ranon Fouché and our brand ambassador, Charlie Bouguenon, joining our team, alongside all our other wonderful ambassadors and riders who will cycle the 97 km for our cause. You can read more about them in this newsletter.

We are delighted to welcome four Ride Joburg sponsors to our flock: **Aequitas Labour Consulting, Smoke Daddy's Fourways, Village Cafe North Riding and Schaldor Plastics in Boksburg.** We are deeply grateful for their support and for the goodies they have already provided for our riders.

To every person who made a monetary donation this month: thank you. Your generosity helps us provide food and essential supplies to the sanctuaries and foster homes caring for our precious birdies.

Our visit to Celebration's Monthly Market on 6 September was a wonderful success. The Hussar Grill at Blueberry Square generously provided a lunch voucher, which we raffled to raise funds. Berliner's North Riding donated biltong, and Ms Human provided chocolates for us to sell. Thank you for helping us turn a day of community connection into meaningful support for birds in need.

A special thank you also goes to **Proactive Packaging** for donating boxes that will be used in October to send food and educational toys to foster homes. Every contribution, whether financial or in goods, helps us deliver meaningful assistance to our beneficiary charities and rescue organisations.

Thank you to everyone who has been part of our journey and who continues to walk this path with us. We cannot wait to see what October brings! Please look through our upcoming events and join us where you can. We will keep you updated as our flock continues to grow.

With heartfelt gratitude,
Nicolene Janse van Rensburg
